

*It's more than what you think.*

*It's what you  
Learn.*

The Harris County Hospital District, in Houston, Texas, is an integrated safety net healthcare system for the third most populous county in the United States and is comprised of three hospitals, 12 community health centers, 13 satellite homeless clinics, 7 school-based clinics, 4 mobile health clinics, and a free-standing dental center. The Hospital District operates 975 beds and provides more than one million outpatient visits annually.

## *June GN Internships Program*

### **HCHD Nursing Internship Program:**

- Structured 12 to 24-week learning experience focused on the nurse intern's clinical specialty area
- For each nurse intern, an assigned preceptor trained to help the novice nurse grow and expand knowledge and skills
- Structured learning activities and extended clinical experiences that focus on transitioning new graduates into safe clinical practice

### **Internship Requirements:**

- Graduate from an accredited school of nursing
- Valid nursing permit to practice in the state of Texas
- Proof of scheduled NCLEX exam date (date should not exceed expiration date of nursing permit)
- HESI exit exam score of 850 or greater
- Cumulative GPA of 3.0 or greater
- Two letters of recommendation
- Copy of transcripts
- BSN preferred

*Application Deadline is March 31, 2009*

*The Harris County Hospital District offers comprehensive Day-1 benefits, incredible career and educational opportunities, and highly competitive salaries.*
