

Community Marketing Liaison

Partners Private Care has an opening for an experienced Community Marketing Liaison. This exciting new full-time position will develop business relationships with key customers in the Boston and Metro West area for private home health care services.

Partners Private Care is a premier provider of high quality home care services in the eastern Massachusetts area with Branch Offices in Boston, Framingham, Beverly and Rockland.

Partners Private Care is a subsidiary of Partners Home Care and a member of Partners HealthCare, founded by Massachusetts General Hospital and Brigham and Women's Hospital.
